Dear Mr. Marchessault:

Per your instructions during our telephone conversation this date I am writing this letter.

Relative to the Coakley Landfill in North Hampton, N.H., I have reviewed our records for the year 1980 and find nothing to substantiate C. E. Fitch Corp. dumping refuse at the "site".

As I mentioned, Mr. Fitch did serve as superintendent on this job for Hyder Management in Portsmouth, however C. E. Fitch Corp. did not have a crew building this project. There could be a possibility the Hyders utilized one of our vehicles to dispose of refuse from the site. Mr. Fitch has no recollection of this happening.

Should you have any further questions please feel free to contact us.

Additionally, thank you for your assistance in this matter.

Sincerely,

LORAINE PALMER  
Office Manager
